ORDER:-

1. This order of mine shall dispose of application for directing the plaintiff to place on record attested copy of his passport, for the period 01.01.1991 to 30.04.1991.
2. Learned counsel for the applicant submitted that plaintiff was not in India at the time of execution of GPA. It is requested that plaintiff be directed to produce attested copy of passport so that true facts come on record. It will help the court to adjudicate the matter in controversy if the photocopy of passport is produced on record.
3. Whereas on the other hand a detailed reply has been filed but during the course of argument it is fairly submitted that he will produce the attested copy of the passport. He has no objection in producing the passport.

Sanjay, CJ(JD)/Chandigarh.

4. Considering the submission of both the sides and also the fact that plaintiff himself agreed to produce the passport. Further it will be in the interest of justice that photocopy of passport should come on record as question of execution of GPA is material question and the same depends on the fact whether plaintiff was in India on that day or not. Therefore, the present application stands allowed with the direction to the plaintiff to produce photocopy of the passport.
