

D. B. Corp Ltd. Vs. Anything in Media

Present: Complainant represented by counsel Sh. Anuj Kohli
Accused No.3 not summoned

BW received back with the report that "house locked". Although it is not a proper service but it can be safely presumed that the accused are having the knowledge of the present proceedings and is intentionally avoiding his/her service. As such I am satisfied that his/her service cannot be secured through bailable warrants and this court finds it proper to get the service of accused effected through non-bailable warrants. Accordingly non-bailable warrants against the accused be issued for 29.07.2025.
