

Sneha Shankar Katariya & Ors.  
Vs  
Subhash Tipanna Nelge & Ors.

**ORDER BELOW EXH. 16**

This is the application filed by plaintiff for extension of order below Exh. 5 dt. 22.03.2022.

2. Perused the application. Defendant no. 32 to 45, 48 to 50, 52 to 64, 66 to 69 endorsed the say to the application and submitted that the sale deed in question in the suit is illegal one, so to that extent, the plaintiff is nowhere entitled to seek any interim relief the plaintiff has no any rights in the suit property. So, prayed for its rejection.

3. Heard and gone through the details of the record.

4. It is the matter of record that upon hearing of plaintiff and perusing the documents on record, on 22.03.2022 necessary ad-interim relief has been granted below Exh.5. Today the answering defendants have appeared and sought adjournment to file their say and written statement. Taking into account the nature of suit and relief claimed, whatever observation laid down while passing order below Exh. 5 shall be treated as it is for the application in hand. Yet, the answering defendants have not filed their reply to the application Exh. 5. So, till the controversy ends on merit, I viewed that in order to avoid the future complications and multiplicity of suit, there is no any hurdle to allow the application.

2.	Order below Exh. 5 dt. 22.03.2022 is hereby extended till next date.
