MISC. APP. No. 71/BF 2024

Chhaya P. Kotwal Appellant

v/s

Manasi A. Mhatre Respondents
& OrsMAY IT PLEASE YOUR HONOURS:

I am Advocate for Appellant above named. On the last dt. of hearing of this matter (1st dt) on 6.8.2024 I have filed purshis informing that on the same impugned Order between the same parties in same suit one of the Defendants - Landlord has also filed an Appeal like us which is assigned to and admitted by Court No. 4 of this Hon'ble Court. On this basis, this Hon'ble court then directed me to take steps as filing of Transfer Application before court No. 1.

I say that however thereafter due to sickness of the Appellant followed by my clerk (filing) and then subsequently court 4 where we required to transfer our present subsequent matter falling vacant, we were holding our Transfer Application from filing. Now we came to know that soon again some shuffling in assignment may take place, enabling us to move our said Application. In view of the above circumstances, we may be allowed to file the same to seek appropriate Orders and adjourn this matter by 4 weeks, ~~per~~ and oblige.

Dated this 23 Sept 2024, Mumbai
